THE OLDEST TEA ESPABLISHMENT IN AMERICA!

PRINCIPAL ESTABLISHMENT IN NEW YORK.

THE CANTON TEA COMPANY has been L pepularly known for many years. This is the largest and oldest Tea Establishent in America.—
The public have had full proof of their integrity and responsibility. But such has teen the great and pressing demand for their TEAS of late, that they have been obliged to enlarge, to a great extent, their two principal establishments in New York, viz:

125 CHATHAM AND 163 GREENWICH STREETS.

They moreover possess facilities, in relation to the l'ea Trade, in a very abundant degree, and doubt less, auperior to any other Tea Concern in America. Their scrupulous regard to all principles that tend to elevate the character of a large house, is well unto elevate the character of a large house, is well understood, and has already secured them a connection, probably, larger than all other Tea Establishments united, and they consequently are determined to sell Teas purer, more fragrant, and perfect for the prices, in the aggregate, than any house in the world—China excepted.

They most zeafously invite the attention of the individual of Washing TON. D. C. to their

habitants of WASHINGTON, D. C., to thei Agency, where the following assortments are always on band; and they feel no he-itation in stating that wherever a single trial is made, a very decided preference is given to the celebrated Teas of the CANTON TEA COMPANY.

R. C. A. Van Zandt's Health Restorative Pills is a medicine which not only cures but prevents disease, capable of great results, and qually calculated to be safely used for apparently small ones. We all know how dreadful and dangerous a seated bilious disorder is, and we are als well aware of the seeming insignificance of its first wernings or incipiency. The individual suffering from slight pains in his chest, back, or stomach, or from occasional nau-ea, dull headache, extreme neryou ness, sleeplessness, trifling prevarication of ap-petite, and other disagreeable visitations so c mmon-ly and foolishly looked upon as unimportant, may not know that these symptoms, treated so contemp-tuously, are the consequences of a diseased state of the liver, which if not remedied, will lead either to speedy death or a long train of unbearable ills which are known by the following names: Hypochondria, mania, dizziness, slow fevers, epilepsy, asthma, dropsy, rheumatism, chlorasis, convulsions, nausea, nervousness, crapms, gout, pleurisy, jaundice, irrita-hility, and violence, lyspepsia, hysterics, scurvy, foul stomach, dry coughs, glandular affections, colds, lingering sore throats, various disorganizations of the great intestino, strictures and spasmedic complaints internally, eruptions, shortness of breath, heartburn, neuralgia, vital inflammation, flatulence, gastric fe-
